

# **CABINET INSTALLER**

**COUNTRY CABINETS, ETC** is continuing to expand their exceptional cabinetry installation team. We are looking for a skilled craftsman who has experience installing residential cabinetry; as well as being dependable, work well with others and have reliable transportation and a valid driver's license.

The ideal candidate will be familiar with the installation of cabinets, counters, decorative moldings, and other related materials; and have a good understanding of woodworking tools and their safe usage, including: table saw, miter saw, jig saw, circular saw, joiner and other related tools.

This is a full-time position which includes a full benefit package.

**Resumes may be dropped off at our office:**

**Country  
Cabinets, etc.**
